**SHOWCASE THE NEWEST SOUND IN SAFETY WITH A DISPLAY FEATURING TWO OF GROTE'S "WHITE NOISE" MULTI-FREQUENCY BACKUP ALARMS IN YOUR SHOWROOM TODAY**

By emitting sound across multiple frequencies, White Noise alarms tackle noise pollution without sacrificing safety. And don't worry, **we have dialed down the decibel output to a "demo-mode"** so customers and staff can hear the unique white noise sound without reaching for ear plugs.

**FEATURES & BENEFITS**

- This working display shows off the form factor of two of our six White Noise Backup Alarm products: our very popular 97 dB White Noise Backup Alarm (73340, 97 dB, Forward Mount) and our 102 dB White Noise Backup Alarm (73460, 102 dB, Reverse Mount)
- This sturdy, compact display shelf can be installed on pegboard, slatwall or simply on a shelf or counter
- Includes a standard power supply for an easy plug-and-play set-up in your store or showroom
- Features eye-catching graphics aligned with Grote's retail packaging to support your overall merchandising and customer experience
- Includes two peg board S-hooks for easy installation
- Switches: Power – Mom On/Off
