NEW SIDE BRACKET
SERVICE PART NUMBER 42450

*As part of Grote's commitment to continuous product improvement, we have implemented changes to our **LED Off-Road Light Bars.***

The side brackets of Grote's LED Off-Road Light Bars have been updated to make them compatible with the mounting holes of older versions of Grote Light Bars. Customers who bought previous versions can now use the same mounting hole positions with our new and improved Light Bars. Grote's LED Off-Road Light Bars still feature dual mounting options, with either adjustable pedestal or side mount to choose from.
